JOB No. 3027726
PAGES 1 - 338

1 Q But they have not been placed in a forever
2 home?

3 A I don't know.

4 Q So the dealer to whom you sold these animals
5 could sell them to another facility?

6 A I guess she could.

7 Q How is Cooper presently housed?

8 A You'll have to talk to DeYoung Zoo.

9 Q Who is Cooper housed with?

10 A You'll have to talk to DeYoung Zoo.

11 Q Who takes care of Cooper?

12 A You'll have to talk to them.

13 Q What kind of food does Cooper get?

14 A You'll have to talk to them because I don't
15 know.

16 Q What kind of enrichment does Cooper get?

17 A You'll have to talk to them.

18 Q Does Cooper currently get any kind of
19 preventive veterinary care?

20 A You'll have to talk to them.

21 Q What is the size of Cooper's enclosure?

22 A I don't know. You'll have to talk to them.

23 Q Does Cooper get access to the outdoors?

24 A I don't know. You'll have to talk to them.

25 Q Would the answer be the same if I asked for

1 Kirby, Daisy, KK or Coby?

2 A I'm sure, yes.

3 Q Can you identify anything about placing the
4 chimpanzees at the DeYoung Zoo that was better for
5 the chimpanzees than if they had been placed in one
6 of the accredited sanctuaries that you visited with
7 Dr. Pernikoff?

8 A Can I identify anything?

9 Q Yes, anything that you actually know is
10 better at the DeYoung Zoo?

11 A Only that they would have more personalized,
12 hands-on, one-on-one attention that they're used to
13 having.

14 Q How much percentage of the day do these
15 chimpanzees at the DeYoung Zoo get personalized,
16 hands-on --

17 A You'll have to talk to them.

18 Q Well, if you don't know, how do you know
19 that they have more than they are getting someplace
20 else?

21 A I'm just going by how much attention does
22 200 chimps get hands on, one on one, every day at a
23 large sanctuary. These animals are in a place where
24 they love these chimps as individuals, not just more
25 chimps to get more funding and more money.
